

- Due to lack of suitably experienced and qualified staff in middle management all three departments' managerial efficiency at top level is constantly being eroded.

Solution: Fill vacancies at middle management level and improve managerial skills of departmental management through appropriate training.

LIBRARY SERVICES

The KwaDukuza library exchanges are done at Coast depot which is situated at Pinetown together with 50 other libraries from different local municipalities. The exchanges are scheduled throughout the year and libraries select new material for their users. Each item issued to a library is scanned and recorded on the PALS automated system as being on issue to a particular library.
